**Youth Group**

We meet at the church from 6:30-8:30pm. We are taught from the Bible and worship together. These times usually include a snack and a game.

**Home Groups**

We meet in offsite home groups hosted by our youth leaders. These groups form deeper friendships in a smaller setting so leaders and students can grow together.

**Sunday Classes**

We meet in the Park at 10:00am. This term we will be teaching through Acts.

**Family Forum**

We occasionally host a Family Forum for our middle school and high school families. These nights are designed for parents to join their student at youth group for a time of worship, teaching on an important topic, and then beginning a discussion that can continue at home.
